home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Orange–Yellow Diamond

J. S. Fletcher

The Orange–Yellow Diamond

A novelist finds himself struggling to make ends meet. In his effort to raise a bit of money to get him by, he finds himself in the middle of a mystery. Murder, theft, and love, all the ingredients for a wonderful reading.

Please note: There is some stereotyping of ethnic groups however it is presented without malice but rather a sign of the times. (Summary by Linette Geisel)
